

# Mr. Boggs' Dog Graph

Mr. Boggs owns and operates Boggs' Complete Dog Care Service. This industrious muskrat provides grooming and dog walking services and also offers specialized food and toys for different breeds of dogs. In order to meet customer demand, Mr. Boggs must keep track of which breeds of dogs are most popular. Mr. Boggs surveyed forty people who own one or more dogs and found that...

1. 3 people own basset hounds.
2. \_\_\_\_\_ people own rottweilers.
3. \_\_\_\_\_ more people own collies than rottweilers.
4. \_\_\_\_\_ more people own collies than poodles.
5. \_\_\_\_\_ people own Irish setters.
6. \_\_\_\_\_ fewer people own basset hounds than mixed breeds.
7. \_\_\_\_\_ more people own golden retrievers than rottweilers.
8. \_\_\_\_\_ people own golden retrievers.
9. \_\_\_\_\_ people own collies.
10. \_\_\_\_\_ people own dachshunds.

Using a ruler can help you identify the numbers represented on the graph!

Now, use the Secret Coded Letter Values chart to decode each of your answers. Write the letters that go with your answers in order on the lines below. The first one has been done for you.

Why does my dog sit in a corner whenever the bell rings?

H \_\_\_\_\_ !
