Oh, no! Ollie The Owl is up to no good again! He has surveyed fifty MMC members to find out what their favorite summer activities are. Now, he plans to ruin their summer by interfering with these activities! Of the MMC members he surveyed, Ollie found that...

1. 19 people like playing soccer.
2. _____ people like watching television.
3. _____ people like going to the beach.
4. _____ people like going to amusement parks.
5. _____ people like playing video games.
6. _____ is the total number of people who like playing baseball and like reading.
7. _____ is the total number of people who like watching television and like going to the beach.
8. _____ people like playing baseball.
9. _____ more people like going to amusement parks than playing baseball.
10. _____ people like reading.
11. _____ people like going to the movies.

Using a ruler can help you identify the numbers represented on the graph!

There is something you can make to prevent Ollie from ruining your vacation. To learn what it is, use the Secret Coded Letter Values chart to decode each of your answers. Write the letters that go with your answers in order on the lines below. The first one has been done for you.
