Oh no! While Lupita and Eloise were watching a movie starring Ollie The Owl, there was a power failure! How did the movie end? To find out, answer the fraction problems on the film strips below. Use the “Secret Coded Letter Values” chart to discover which letter goes with each answer. Then, write the appropriate letter in the ticket stub next to each answer. When you are finished with all fifteen problems, write the letters in order on the blank spaces at the bottom of the page. The first problem has been done for you. Now, let’s get on with the show!
